

Geropoulos Kostis

Kostis Geropoulos is the co-founder and the Director for Energy & Climate Policy and Security at NE Global in the UK. A member of the Foreign Press Association of Greece, he is an experienced journalist, moderator and columnist covering energy and climate issues, geopolitics and security. He has covered and reported from many areas around the world, including Central Asia, Russia, Northern Africa, the Eastern Mediterranean, the Balkans, and Central and Eastern Europe. His weekly column Global Energy Insider analyzes energy and geopolitics, including interviews with European leaders, politicians and experts. He has also been a guest or contributor for BBC TV and BBC Radio, Austrian radio ORF, LBC Radio, and Sky News, UK.
